PRINCIPAL UPDATE

1. Council Membership & Activities
2. Principal Report

i. Water Quality – 2017 Study

Information is available on the LDSB website. Additional water bottle filling stations were added in 2017. These units are tested for lead. Water flushing occurs once per week and testing results are available to the public.

ii. Inclement Weather – School Messenger

New Procedure – See LDSB Website for details. Parents are asked to still report their child's attendance even if buses are cancelled.

iii. Cashless Schools

Will be implemented soon.

iv. Academics

New FSF3U course offered through summer partnership. Info session Dec. 04 – see LDSB website for info. DELF test (French proficiency test) will be administered again this year for interested students. All pathways programs continue.

v. The Arts

A play will be held this spring in the new drama room. The band performed well at Remembrance Day. A vocal group is up and going during lunch hours.

vi. Athletics

Silver medals in KASSAA VBall and Football (added to minutes after meeting). Great seasons with heart breaking losses in the championships! Overall, great season. OFSAA medals in X-Country for two students (three attended and did personal bests)!

vii. Staffing Updates & Enrolment

Enrolment is steady. A few changes in staff at mid-term.

viii. Contracts

Uncertain times. Updates will occur through social media and websites.

ix. Communication

Difficulties with School Messenger were expressed. Ideas of what parents would like were shared. A new extra-curricular & athletics page is being added to the website.

NEXT MEETING: February 10, 2019

MINUTES: A third parent attended this meeting. Elections were not held. A teacher rep and student rep will attend in the new year if we can get a few more parents out. Updates were given on the above items.
